GREENACRES.COM

GREENACRES' COMMITMENT

to Safety, Convenience & Local Partnerships:

Together with a strong network of local suppliers, GreenAcres' response to Coronavirus concerns is easing fears and supporting healthy living. We continue to take all available precautions to prevent the spread of germs and keep our team members & customers safe at all GreenAcres locations.

1. Social distancing is observed by GreenAcres staff & requested of all customers
2. GreenAcres team members are committed to safe & sterile shopping, including their use of masks & gloves and sanitizing surfaces frequently.
3. Sanitizer is available upon arrival for customers to use on hands & wipe down carts.

LOCAL PARTNERSHIPS

When additional safety procedures were increasing, GreenAcres quickly reached out to local partners to find solutions. We partnered with a nearby seamstress to produce face masks, a plastics manufacturer to custom make & install plexiglass shields at each register & when hand sanitizer started running low, Rieger, a Kansas City distillery, stepped up to supply GreenAcres needs.

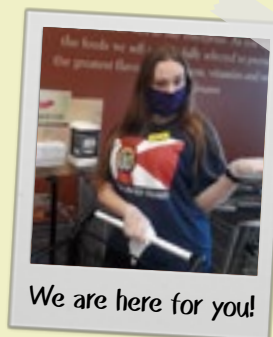

ONLINE SHOPPING!

We also accelerated our launch of our online shopping platform that allows you to safely shop our stores from the comfort of your own home. Just **visit our website greenacres.com**, select your store & your order will be ready for pickup or delivery.

STAYING INFORMED IS CRUCIAL

One thing is certain, building your immune system has never been more important. We offer many products for immune protection against viruses, bacteria & fungus. Visit us safely in our stores, read our newsletters & follow us on social media for our ongoing suggestions for building a solid health foundation & ways to deal with stress.

It is a journey toward healthy living during difficult times & we are all in this together. We know brighter days are ahead & we are grateful to help you in anyway we can along this journey back. We are locally owned & family operated, and we appreciate each member of our GreenAcres team & all we have been able to accomplish to still take care of your grocery & supplement needs & create a safe shopping environment. Thank you to all of you for supporting us during this time!

Sincerely,

Barb Hoffmann - Founder/CEO GreenAcres Markets

IMPORTANT HERBS to Add Essential Nutrients

Sorrel

One cup of sorrel, a perennial herb, contains 15 percent of your daily need for potassium, a mineral essential for heart health and blood pressure.

Basil

Compounds in basil, a peppermint relative, offer anti-inflammatory benefits by inhibiting the same enzyme that aspirin and ibuprofen target.

Thyme

In ancient cultures, people associated thyme with bravery and courage and believed in its ability to reduce the spread of disease. Today, research highlights the herb's potent antibacterial qualities.

Parsley

Parsley's nutritional profile is similar to other leafy greens, with ample amounts of vitamin A, vitamin C and folate. It especially protects against kidney stones.

Chives

Chives contain the heart-helper compound allicin, which reduces "bad" LDL cholesterol (among other benefits).

Dill

Ancient cultures believed dill, a member of the celery and parsley family, to be a symbol of good luck and wealth. Current research promotes dill seed for anticancer properties.

MEN, IT'S TIME TO PAY ATTENTION TO YOUR HEALTH

Father's Day is an important time to let the special men in your life know they are appreciated & cared for. Whether they are an actual father, father to fur babies or a fatherly figure to those around them, what better way to show your support than by helping them stay healthy & maximizing performance in everything they do. Or men, treat yourself to feeling better on a daily basis & making self care a priority!

TOP SUGGESTIONS FOR MEN TO TAKE FROM OUR GREENACRES TEAM:

**Source Naturals L-Arginine
L-Citrulline Complex**

- Helps improve peak performance in all activities!
- Focuses on boosting circulation.

**Bluebonnet Nutrition
MPX 1000 Prostate Support**

- Reduces BPH that is responsible for extra nighttime trips to the bathroom
- Helps support overall prostate health

Life Seasons Masculini-T

- All-natural support for helping boost testosterone production
- Helps support normal erectile function

Solaray Korean Ginseng

- Anti-stress, adaptogen herb creates better energy in the day and restful sleep at night
- Known also for its ability to help regulate mood, strengthen the immune system, and improve cognition.

**Garden of Life
Once Daily Men's Probiotic**

- Supports improved digestion, helps manage gas and bloating
- Helps support immune health

Come visit us at GreenAcres & ask one of our team members to help find the best combination & get started feeling & performing better today! You can also find these supplements at our online store. just visit greenacres.com & select the store nearest you for curbside pickup & delivery.

SURPRISING

TESTOSTERONE BOOSTING AROMAS

You might expect most men to prefer earthy scents or woodsie aromas to the sweeter, fruitier smells. For skin care products, perhaps. But surprisingly, the following short list of essential oil scents have been shown to be natural testosterone boosters:

CLARY SAGE	ROSE	LAVENDER	SANDALWOOD
	GERANIUM	FRANKINCENSE	

The key is to keep it simple & not overwhelm. Use these scents to make room sprays, body scrubs, put a few drops on your wrists, or use in your favorite difusser. Experiment & mix with other scents & find the combination that works for you. Mixed, or alone, these oils still carry their boosting power.

No Excuses!
GET MOVING...

Now more than ever, we realize the benefits of exercise as a key part of a healthy lifestyle. Most people recognize the benefits, but pain and inflammation stop people from getting even the minimum of exercise required for cardiovascular and respiratory health, not to mention emotional health.

Natural Factors Osteomove Joint Care offers a comprehensive formula for healthy joints. With an outstanding nutrient profile that includes key joint-building ingredients – MSM, Glucosamine Sulfate, Chondroitin Sulfate, Collagen Type II, along with extracts of Boswellia, Hyaluronic Acid and Turmeric that support connective tissues, ligaments, tendons and cartilage.

Osteomove Joint Care provides:

- Synergistic formula of clinically proven ingredients
- Assistance to formation of cartilage
- Plant based support for healthy joints with the added herbal ingredients
- Quick and easy – 2 tablets per day dosage

This synergistic formula contains key ingredients in proven amounts to support joint function and reduce pain and inflammation. Purchased separately the nutrients would cost two to three times more if purchased as single supplements.

The key ingredients help with joint lubrication and hydration. Plus, the phytonutrients in Osteomove bond with collagen to improve elasticity and flexibility. Are you ready for better joint health? Are you ready to get moving?

Satisfaction is Guaranteed with Osteomove. Try it for two weeks and see what a difference it will make!
