A Collective Sigh of Relief

As the pandemic begins to lessen and people are starting to feel more confident in stepping out and returning to life as usual, there is much to celebrate! However, on a serious note, it is time to get back to basics for everyday health maintenance.

During the pandemic, doctors & experts warned that people were falling behind on medical care for chronic illnesses due to medical overload caused by hospitals and the medical centers bursting at the seams with COVID patients.

So what happens now? We Get Back to Basics!

IMMUNITY The pandemic taught us that immune health is key to overall wellness. These are our top recommendations of supplements to continue taking as you find your new normal:

- Vitamin C, Zinc, Quercetin, Vitamin D3, Elderberry – all are important immune supporters.

CHRONIC CONDITIONS

- Know your numbers! Blood sugar, cholesterol, vision, all need checking. Make your appointments now, many are experiencing long delays to get in.
- Have you been postponing treatment for a degenerative condition? Find good treatment options now! Don't ignore symptoms.

STRESS & LIFESTYLE SUPPORT

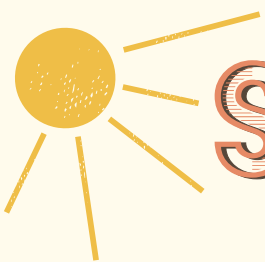

- Stress is of top concern.
- Ashwagandha, Saffron, L-Theanine, B-Complex vitamins all support tired adrenal glands.

GET ACTIVE, & FIND A HEALTHY BODY WEIGHT

- Supplement your protein intake, hydrate with electrolytes, and drink pure water!
- Make fruits, vegetables, lean proteins, and beneficial fats the core of your diet.

If you have more questions, we invite you to come talk to our expert team members to help you "Reset" your daily regimen! No better time to start than at our annual Spring Tasting Fair (see details below)

Essential Oil DUO PACK of the month

Refreshing HAND SOAP

DUO \$15⁵⁹
REG. \$23⁹⁸

INGREDIENTS

- 1/2 cup of Dr. Bronner's unscented liquid castile soap
- 1/2 cup of distilled water
- 8 drops of Now Grapefruit essential oil
- 8 drops of Now Marjoram essential oil
- 1 tablespoon of vitamin E oil

For this recipe, you will need an 8 oz. glass push pump bottle. Start by adding your distilled water to your bottle, followed by the liquid castile soap. Add the essential oils and the vitamin E oil. Securely screw the lid back on, then shake the bottle to mix the ingredients together. You might have to shake the bottle a bit every time you use the soap, but it will work perfectly.

\$18⁴⁹
(Reg. \$28⁵⁰)

**WE LIVE IN A
GUMMY WORLD
THESE DAYS**

Multivitamins, individual nutrients, apple cider vinegar, herbal formulas are all available in a good-tasting gummy formula. Gummies have grown up and are not just for kids! GreenAcres is proud to work with an innovative formulator, Bucklebury to introduce Sea Moss Gummies.

What is sea moss?

Sea moss is a type of seaweed (chondrus crispus). Sea moss also goes by the names "Irish moss" or "red algae." It is a tough, stringy red, yellow, or purple seaweed that grows up to six inches high on rocks in tidal pools in the ocean. Because it grows on rocks, it absorbs many of the minerals and other key nutrients from the rocks themselves.

What is in sea moss?

Sea moss is called "nature's multivitamin" because it is reported to contain over 90 essential minerals, vitamin C, vitamin B12, vitamin D, E, A, K and much more!

Bucklebury Sea Moss gummies contain bladderwrack and burdock root with the sea moss to make for a powerful, nourishing superfood!

What are the health benefits of sea moss w/ bladderwrack & burdock root?

- Immune support – sea moss has antimicrobial activity
- Thyroid health support – minerals in sea moss support healthy thyroid function.
- Promotes skin/hair health – micronutrients in sea moss benefit healthy hair, skin, and nails.
- Joint health support – anti-inflammatory and antioxidant activity of sea moss can improve joint health.
- Detoxification – Bucklebury Sea Moss gummies support body detoxification with the added burdock and bladderwrack.

This formula also can benefit a healthy metabolism and offer support for healthy weight.

All these exciting key benefits in **Bucklebury's Wild Crafted Irish Sea Moss Gummies w/ Bladderwrack & Burdock Root** are available in just two gummies per day.

Bucklebury's amazing berry flavored Sea Moss Gummies are easy to take and delicious! They are vegan friendly, gluten-free, soy-free, cruelty-free and made in the USA!

Bucklebury premium natural supplements are carefully crafted and made in FDA inspected facilities that are cGMP compliant. Stop into your GreenAcres Market and pick up your bottle while they are sale for 35% off, introductory price!
